

The Barstow Campus Catalog
2021 - 2022

Where the Educational Team of Student, Parent and Facilitator work together.

“Preparing Students to be Successful Adults.”

Introduction

Excelsior became the 74th charter school in California on January 13th, 1995. Our success has been attributed to the Educational Team: Parent, Student, and Facilitator working together to help prepare our students to be successful adults. The power of the Educational Team and the monthly meetings of this team are beyond measure and have been the consistent structure of Excelsior since 1995. The relationships, communication, and trust that are developed between the parent, student, and facilitator are the key to every Excelsior student's success.

Our excellent and professional facilitators are credentialed and specialized to meet every student's needs and guide their Personal Life Plan. With the support of your facilitator, your Educational Team will be highly successful in preparing your student for their future. We look forward to supporting your participation and involvement as a member of the Educational Team, meeting at least once a month to track your student's progress, plan academic needs, and celebrate successes.

The Barstow Campus Catalog was developed as an addendum to the Excelsior Student Handbook to address additional information specific to the Barstow campus. We hope this catalog will help you and your student navigate the campus department's hours of operation, course requirements, campus workshops/classes, campus activities and schedules, campus procedures, Barstow College dual enrollment, and more!

COVID-19 Distance-Learning Procedures:

Excelsior is beginning the 2021/22 school year utilizing distance learning and on campus workshops. Excelsior is fully prepared to continue the high levels of educational, social emotional, and family support during this time.

The following procedures have been modified to meet the health and safety requirements from the County and State during the school closure mandates to ensure the health and safety of our students, families, and staff.

(1) Office Hours- Campus hours will remain the same. Open Monday through Friday from 8am-4pm. Visitors are NOT allowed on campus. If students or parent/guardians need assistance, please contact your student's facilitator or our front office at (760) 255-2764.

(2) I.T. Assistance- For assistance with your Chromebook, call the IT hotline at 760-245-4262 X558

(3) Workshop classes- Workshop classes are offered as an option for students an additional resource to support the online curriculum. Workshop classes will be hosted on campus and English and Math are additionally offered via Zoom. Class sizes are limited; therefore, students are enrolled through priority registration. Attendance policies are still followed for Zoom workshop classes. Information on Priority registration and attendance policies are located in this catalog.

(4) Lunch program- Excelsior will continue to serve lunch to our students Tuesday - Thursdays from 12:30PM-1PM. Student(s) must be enrolled in Excelsior to receive lunch. All families will need to complete the Mealtime application online. Mealtime link can be found at Excelsior.com.

Hours of Operation

Front office:

- Open 8:00am - 4:00pm, Monday through Friday.
- Office closures due to staff meetings and special events will be posted in advance on the front office door, and notifications will be sent home through our notification system.
- The office will be closed during all student holidays. Please refer to student calendar for these dates.

Computer Lab:

- Open 8:00am-3:30pm, Monday through Friday on days 0-4 of the official testing window.
- Closed all Mondays if not an official testing day.
- State testing throughout the school year may alter this schedule. Notification of these changes will be sent through phone, text, email, and Excelsior's website.

Lending Library:

- Open Tuesday through Friday 8:30 AM to 4 PM.
- The lending library will be closed during official testing windows days 1-4. Students wishing to return books during the testing window, may still do so.
- Students must see an Excelsior staff member to access the books in the lending library.

Facilitator Offices:

- Facilitator offices are not available for walk-up appointments for the 2021/22 school year. Students and/or parents/guardians needing assistance must call or email to schedule a phone or video conference appointment with facilitators and administration.

Communication

Want to know what is taking place and when? Here is how:

All calls/emails/texts:

Excelsior utilizes our communication system to send out all calls/emails/texts. Parents can utilize their student's account to customize which method to receive these messages (phone, email, text). Parents can also customize which group messages to receive (Athletics, Junior High, Performing Arts, etc.). Please contact your facilitator or front office staff for your log in information or for further assistance.

School bulletin boards:

ASB and Administration will utilize the bulletin boards in the front office and around campus to post and share upcoming events and school information.

School Website:

www.Excelsior.com

Make sure you are looking at the Barstow campus page!

Social Media:

Search for Excelsior Charter Schools Barstow Campus, and follow us on:

- Facebook- @ExcelsiorBarstow
- Instagram- @Excelsiorctea.asb

We update these pages regularly with events, reminders, changes, and more!

Priority Registration for Workshop Classes:

Due to the high demand for workshop classes, the Barstow campus staff will register students into workshop classes based on enrollment date prior to the first day of school. Schedules will be reviewed with families at their first Educational Team meeting. Once workshop classes are full, students will be placed on a waitlist for the workshop class. Attendance will be taken daily, and students will be dropped from workshop classes in accordance to the attendance policy. Once space is available in a workshop class, students from the waitlist will be placed into the workshop class. The student's facilitator will notify the family when placed into the workshop. Please be sure to review the attendance policy located in this catalog.

On Campus Behavior and Expectations:

Clear and consistent expectations help students understand what's expected of them, which in turn helps students monitor themselves and take responsibility for their behavior leading to a more confident and productive atmosphere for all! Our campus expectations are as follows:

Be Safe Be Responsible Be Respectful

Each week all staff will be reviewing these expectations in each of their workshops with your student, but below are a few examples of what these expectations look like so that you can help communicate these expectations at home as well! Expectations are posted around campus.

Be Safe:

- ✓ Keep hands to yourself
- ✓ Maintain a clean, orderly environment
 - NO Food or Drinks allowed in the classroom or quad area
 - NO gum allowed on campus

Be Responsible:

- ✓ Come to campus with your student guides, pencil, and books and/or Chromebook.
- ✓ Be in your workshop and seated on time

Be Respectful:

- ✓ Treat others as you want to be treated
- ✓ Use kindness
- ✓ No outside distractions during class
- ✓ NO PHONES OR HEADPHONES ALLOWED during workshop**
- ✓ NO PHONES during Lab/Quad time**
- ✓ Chromebooks need to be charged and are only to be used to support learning (i.e. No games, social media, texting, etc...)

** If parents need to communicate with their student during class time, please call the office at 760-255-2764 and we will ensure that your child is contacted appropriately. If your student is in need of being notified that you are here to pick them up, please call our front office and we will be happy to get your student out of class to meet you outside. If there is an emergency and your student needs to contact you, they can ask to be dismissed from class and go to the front office for assistance. Phones are only permitted during lunch from 12:30pm-1pm and passing periods. Students who are using their phone during class or in the quad area are creating distractions to all students by inhibiting their focus and engagement in the lesson. We appreciate your understanding and support with this.

Workshop Attendance/Tardy:

Need to excuse an absence? Email Mr. Narez at: Carlosn@excelsior.com or call 760-255-2764 ext. 513

Changes/drops to workshop schedules:

Changes should be discussed as an Educational Team and should meet the goals of the student's Personal Life Plan. Students cannot make changes to their schedule without parent/guardian approval. Any changes to a student's schedule must be approved by an administrator after the first two weeks of school.

Excused absence policy:

- Students who are enrolled in workshops four days a week, will be permitted **9 excused** absences per semester. The 10th excused absence will result in removal from the workshop.
- Students who are enrolled in workshops that occur two days a week, will be permitted **4 excused** absences per semester. The 5th excused absence will result in removal from the workshop.
- Notify your facilitator of an excused absence within 3 days the absence occurred. Absences not excused within 3 school days (M-F) will remain unexcused.
- Students placed on a 10-day quarantine due to displaying symptoms of COVID-19 will be excused. Those days will not count towards a student's removal from a workshop class.

Unexcused absence policy:

- Students who are enrolled in on-campus workshops will be permitted 2 unexcused absences. The 3rd unexcused absence will result in removal from the workshop.

Please contact our Front Office regarding excused absence(s) to ensure proper documentation and communication of the excused absence(s). It is important to review absences during your Educational Team meetings in order to support student success.

Tardy Policy: Please be on time, as excessive tardies can result in removal from the classes and will be reviewed at Facilitator appointments. Three unexcused tardies will result in one unexcused absence. This includes tardies to Zoom workshop classes. Students need to ensure that they are giving themselves plenty of time to login to their Zoom workshop before the workshop begins.

Absences due to testing: Students will take their quarter tests in their workshops on Canvas. Students should not miss workshops to test, rather, they should test in their workshop.

Attendance policy: Students are expected to attend workshops until the last day of workshops on June 4th, 2021. If a parent/guardian would like to drop student(s) from a workshop, they must do so with their facilitator.

Waitlist for workshops/classes:

Workshops are for enrolled students only. Workshop instructors will move students from the waitlist as space becomes available in the workshops. Parents and students will be notified by the Facilitator when enrolled in the workshop.

Learning Lab:

The Learning Lab is available for students to complete their work. Students may only enroll into the Learning Lab if they have an opening/gap in their schedule between workshop classes. Students may only register in one Learning Lab per day. Students are expected to come prepared with their work, Chromebook charged, and work the entire period. Students are expected to arrive on time and stay the entire period. Please refer to the workshop schedule for availability. Learning Labs may be adjusted during school closures.

Testing Center Policies:

Students must be in the testing center by 3:30 in order to test. Students entering at 3:30 will only be permitted to take one test. Students who have not finished their test by 4:00 will be asked to pause their test and return the next day in order to finish. We would like to reserve pausing a student's test as the last possible resort. The testing center will contact the facilitator of any student who is in continual need of this in order to set up an educational team meeting and devise a more effective testing plan. On Day 4 of the testing window, students must complete their test by 4:00. Students will not be permitted to return the next day to continue testing as day 4 is the last day of the testing window.

Personal belongings brought into the testing center include, but are not limited to, wireless devices, purses, and backpacks. All personal belongings should be placed into the student's backpack and/or purse and placed at the student's feet during testing. While in the testing center, students are prohibited from accessing items in their backpacks/purses. Wireless devices cannot be left in pockets during testing. Students may be provided a clear bag, as needed to hold any wireless devices or other items while testing in order to stay compliant with testing policies.

Testing Waivers:

Testing waivers are available for emergency situations, which are out of the student's control. Excelsior expects students to be responsible and prepare appropriately for testing. Testing waivers are available for test A's only. Students will be granted one waiver per semester. Please contact your facilitator for a test waiver.

Campus Safety

Drop off and Pick up:

Keep all students safe by dropping off and picking up students in the lane located closest to the school. Please do not stop in parking lot traffic lanes to drop off or pick up students. Use the crosswalk when crossing the parking lot traffic lanes. Excelsior staff and security will be available before school and during peak traffic hours to assure student safety and enforce drop off and pick up policies.

Off Campus Policy:

Students must check in and out of the front office during the school day using their student ID card. Students are not to leave campus apart from their scheduled departure time, with the exception of students dually enrolled in college classes, and students being picked up by a parent. Students leaving campus outside their scheduled departure time will be subject to disciplinary action by administration.

Student ID Cards & Lanyards Policy:

Students are required to wear their ID cards on campus at all times for safety purposes. Students are responsible for bringing their ID and lanyard anytime they are coming on campus. Below please find our campus policy on lost or damaged replacement IDs and lanyards.

This policy supports and/or is in addition to the Excelsior Student/Parent Handbook policy.

First ID Card: FREE

Second ID Card: FREE

Third ID Card and Any Following: \$1.00 Charge

First Lanyard: FREE

After First Lanyard: Please purchase a new lanyard from the front office or purchase one on own.

Students who need a replacement card will be allowed on campus once a parent/guardian brings the missing ID and/or replacement cost. Students will continue their independent study work in the front office until the appropriate ID policy has been met.

Parent/Guardian/Visitor Sign in:

Excelsior maintains a safe and orderly learning environment for all students. In order to adhere to the guidelines from the state and county officials, Excelsior will not permit visitors to campus. Parents/guardians and all other visitors must contact the front office to

schedule an appointment to meet with staff by phone or by video conference. Once State and County officials permit on-campus all visitors must provide a government issued photo ID when checking into the front office. This ID is entered into our Raptor Visitor Management System to track visitors and to ensure that registered sexual offenders are not entering our campus. All visitors must wear the visitor badge during their entire visit on the campus and return the badge to the front office at the end of their visit. For more information on the Raptor system, visit www.raptortech.com.

Safety Drills:

Safety drills will be conducted during various school hours throughout the year. During these drills students will practice safety procedures to include campus evacuations. Any parents/guardians on campus during this time will also need to participate in these important drills.

Security:

The Barstow Campus has an active video surveillance system to monitor and review student conduct to ensure the safety and well-being of all students. Additionally, professional certified Security Officers will be on campus to enforce and monitor expected and safe behavior. All visitors are required to check in the front office and wear a visitor badge. All visitors must provide government issued ID, as this will be used to issue a visitor badge. The front office uses the Raptor Visitor Management system to ensure the safety of the campus.

Backpack Searches:

The Barstow Administration and Security Officers will be conducting random backpack searches to maintain the safety and cleanliness of our campus. Parents will be notified by the end of the school day when students have been searched. Please refer to the Student and Parent Handbook for a list of items prohibited from campus.

Barstow Community College Campus:

Excelsior students are not allowed on BCC's campus unless they are a BCC student. Discipline for any student found trespassing on BCC's campus will be taken immediately.

Front of school/parking lot:

Students can wait for a ride in front of the school for no more than 15 minutes in accordance with the Excelsior Student/Parent Handbook. Students are not permitted to wait in their cars or loiter in the parking lot. Students must socially distance while waiting for their ride.

Discipline polices:

Please refer to the Excelsior Parent and Student Handbook for a complete review of discipline policies and procedures, which include behavior and dress code.

Chromebook and Technology Violations

Please refer to the Excelsior Parent and Student Handbook for a complete review of our technology policies and procedures which includes a signature page. Refer to the agreement available at your facilitator appointment for a complete review of our Chromebook and internet policies and procedures. Both agreements must be reviewed and signed for students to receive a username and password and to check out a Chromebook for the school year. Facilitators will review the policies at your first appointment.

Please Note:

- Students will be required to enter their student username and password when using their Chromebook off-campus.
- All internet activity is being closely monitored especially during the late evening through early morning hours; midnight - 6:00am.
- All Excelsior staff has the right to inspect student Chromebooks at any time to ensure appropriate use.

Chromebook violations include:

- Chromebooks that are left unattended
- Any Chromebook use that violates the user agreement policy
- Technology use that violates the Student Internet Use Policy and Agreement

Chromebook violations will result in the following:

- First offense: verbal warning, parent contacted
- Second offense: written notice home, parent contacted
- Third offense: Chromebook is turned into Administration for 5 school days. Student is responsible to pick up the Chromebook from the front office after 5 days.
- Fourth offense: Chromebook is turned into Administration for 10 school days. Student is responsible to pick up the Chromebook from the front office after 30 days.
- Fifth offense: Chromebook is turned into the IT department for one semester. Student can check out a new Chromebook from IT and must review and submit a new User Agreement.

Technology violations will result in the following:

- First offense: verbal warning, parent contacted
- Second offense: written notice home, parent contacted
- Third offense: Student must have parent/guardian oversight when using technology.
- Fourth offense: Student's technology privileges are revoked.

On-Campus Chromebook Expectations: Using the Chromebook for schoolwork

Excelsior Charter Schools fosters 21st century skills, student engagement and learning by providing each student a Chromebook. It has enhanced the learning environment for our students by allowing them to have access to resources, videos, assignments, and much more. Our goal is for students to utilize these Chromebook for those purposes. Chromebooks are to be used only for schoolwork from the hours of 8:30am-4pm while on campus. The only exception to this is during lunch from 12:30-1:00pm.

Students using their Chromebooks for purposes other than schoolwork, such as: text messaging, gaming, or social media will result in disciplinary action. Please refer below for students who violate these expectations.

1st Offense: Staff will issue student a written verbal warning and parent/guardian will be notified. Written documentation of warning will be noted in the student's file.

2nd Offense: Chromebook will be checked into the front office for the remainder of the day. Student will be allowed to complete any online assignments in the computer lab. Parent will be notified.

3rd Offense: Chromebook will be checked into the front office for 5 days. Student will be allowed to complete any online assignments in the computer lab. Parent will be notified.

Any further offenses will be forwarded directly to administration for further consideration.

We hope by clarifying our expectations we can help our students prioritize their time here on campus to complete their schoolwork and use their Chromebooks for the intended purpose of engaging in 21st century skills. We appreciate your support in preparing students to be successful adults.

All violations of school rules, including Chromebook and Technology user violations, are documented in student discipline logs. Administration has the authority to review and modify all disciplinary decisions on a case by case basis.

Activities

Campus Calendar:

Please use your Student Calendar to schedule testing, state testing, and other important dates. As the year progresses, please check our website, school social media pages, email, talk with your Facilitator, and check our campus bulletin boards for information on upcoming Excelsior fun!

Parent involvement:

As a vital member of the Educational Team, we encourage all parents to get involved at Excelsior! This year, all meetings will be held via Zoom. If you would like to get involved in school policies, programs, and give feedback, please join us for the following events:

- Meet your Principal/ Coffee with the Principal
- School Site Council Meetings: review budget and school needs based on Title I
- School Site Safety Plan Meetings: review safety plan and needs
- *please review the website and other social media postings for additional opportunities and specific meeting information.

Field Trips:

Due to the COVID-19 pandemic, all Excelsior field trips may be postponed for the 2021/22 school year. If the guidelines for schools are lifted by the County, State and Excelsior District office, we will notify students, and parent/guardians. Excelsior strives to provide many educational field trips to enhance learning. Some trips will be to reward excellence! In accordance with the Excelsior Student and Parent Handbook, students must be picked up from field trips and after school activities within 15 minutes of the scheduled end time. After 15 minutes, Excelsior has the right to contact the authorities in order to keep your student safe.

Student Life:

Excelsior offers many opportunities for student involvement outside of their academics. We encourage your student to contact the ASB for information regarding our sports programs, clubs, field trips, and other social events. Check the website, school social media, student bulletin boards, and talk with your Facilitator to stay informed. Excelsior will modify many activities during the 2021/22 school year to adhere to the guidelines and regulations set forth by the County, State and District office.

On Campus Bell Schedule

Below is the bell schedule for on campus workshops. The Assembly Bell schedule is in place to allow for extended lunch for student activities, thus shortening afternoon workshops. The event calendar will indicate if there is an Assembly Bell schedule on a given date.

Bell Schedule:

Period 1: 8:35- 9:30 AM

Period 2: 9:35- 10:30 AM

Period 3: 10:35- 11:30 AM

Period 4: 11:35- 12:30

LUNCH: 12:35- 1:00 PM

Period 5: 1:05- 2:00 PM

Period 6: 2:05- 3:00 PM

Period 7: 3:05- 4:00 PM

Assembly Bell Schedule:

Period 1: 8:35- 9:30 AM

Period 2: 9:35- 10:30 AM

Period 3: 10:35- 11:30 AM

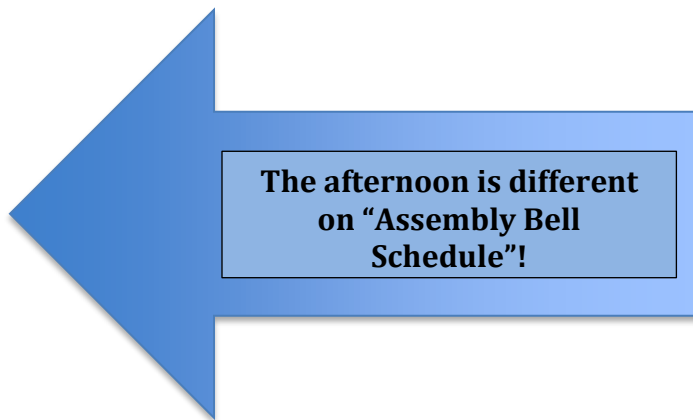

Period 4: 11:35- 12:30

LUNCH: 12:35- 1:20 PM

Period 5: 1:25- 2:15 PM

Period 6: 2:20- 3:10 PM

Period 7: 3:15- 4:00 PM

Academics:

How to get good grades:

- Believe in yourself
- Be organized
 - Use a calendar (physical or on your Chromebook).
 - Have the phone number and email for your facilitator, workshop teachers, and classmates.
 - Use tools: online or physical folders
 - Keep your backpack neat.
 - Get organized before you go to bed each night.
 - Charge your Chromebook each night.
- Manage your time well
 - Use workshop time and Learning Labs to complete assigned work.
 - Create your own study plan.
 - Eliminate disruptions.
- Be successful in your workshop or course
 - Be in your assigned workshops every day and on time.
 - Learn how to adapt to different teachers and facilitators.
 - Be prepared for class.
 - Sit in front, if possible.
 - Always do your homework.
 - Participate in your workshop.
 - Treat others with respect.
 - Involve your parents.
 - Take responsibility for your grades.
- Take good notes
 - Be an active listener/reader.
 - Take notes to help you pay attention to what you are hearing and/or reading.
 - Recognize important information.
 - Take notes that are easy to read.
 - Go over your notes ASAP.
- Read to learn
 - Survey.
 - Read.
 - Review.
- Study smart
 - Find a good place to study.
 - Get started.
 - Organize your study time.
- Be a good test taker
 - Get off to a good start.
 - Develop a plan.

- Mark the questions you want to return to.
- Increase your odds on multiple-choice questions.
- Look for key words in true/false questions.
- Check your answers.
- Reduce test anxiety
 - Start studying early.
 - Mentally practice going through the test.
 - The night before, review the material and get a good night's sleep.
 - Take a deep breath and relax.
- Get help when you need it
 - When you have a problem do something to resolve it. Contact your facilitator!

Work Samples:

All work samples are due on Day 5 during Quarter 1 and 3 for all subjects. Please turn in all samples through Canvas. It is the student's responsibility to ensure all course subject samples are turned in by the end of Day 5 in Quarter 1 and Quarter 3. Have questions? Ask your Facilitator and/or your grade level Facilitator Assistant.

Canvas:

Your Facilitator will review which courses are available on Canvas. All students are expected to complete available courses in Canvas.

All Quarter Tests will be completed using Canvas.

Need Canvas training? Contact your facilitator for more information.

State Testing:

State testing is an indicator of overall student and school performance. The State of California mandates that students in grades 7 through 12 take specific tests in order to gauge a school's effectiveness. State testing dates and times will be scheduled by your student's Facilitator.

Reading Assessment (Renaissance):

Who needs a Reading Assessment?

- All Students

When can students take the assessment?

Students must take the assessment within the first 14 days of their enrollment. See your facilitator for instructions.

Renaissance Math Assessment:

All students, new or returning, are required to take the math placement test. This test assesses student readiness for Algebra 1 and beyond. Students must complete this assessment within the first 14 days of their enrollment. You can access the assessment using the Student Orientation course in Canvas. Excelsior is also requiring all students to complete the Renaissance Math assessment for the 2021/22 school year. This will allow facilitators to accurately assess and place students into the appropriate Math and Math intervention courses as needed.

Interventions:

Excelsior believes all students can achieve! In order to help, students may be enrolled in various intervention programs or placed on different intervention plans. These interventions will always align with the student's Personal Life Plan (PLP) and academic needs/goals.

Summer School:

Summer school is available for students who did not successfully complete a course or would like to get a head start on the following school year requirements. Summer school is limited to 10 credits for either pathway. Please talk with your Facilitator for more information.

Dual Enrollment:

Excelsior students have the opportunity to take college courses at community colleges (VVC, BCC, online programs). Students can earn three times the credit from the successful completion of college courses. Your facilitator and our school administration are available to assist with the enrollment process and enrolling in classes. Please see the Excelsior Parent and Student Handbook for more information, as there are firm guidelines and policies (including age restrictions) in place to support student success in their dual enrollment endeavors. Please contact your facilitator for dual enrollment paperwork.

Campus Catalog Signature Page

I have read and reviewed with my child the following topics from the Barstow Campus Catalog:

- ✓ Distance Learning Procedures
- ✓ Hours of Operation
- ✓ On Campus Guidelines
- ✓ Workshop Attendance/Tardy Policy
- ✓ Campus Safety
- ✓ Chromebook/Technology Violations
- ✓ Activities
- ✓ Academics

By signing this page you are acknowledging and verifying that you have received and take the responsibility that you have reviewed all the content in this Barstow Campus Catalog, which includes but is not limited to the checked items above.

Student Name: _____ Student Signature: _____

Parent Name: _____ Parent Signature: _____

Date signed: _____

This signature page must be returned to each child's school within 10 days of the first day of school.
