

Victor Valley College Outreach Program

VVC FREE 2021

In order to qualify:

- *Must be a 2021 high school graduate*
- *Must graduate from a high school within VVC's region*
- *Must apply to VVC and register for classes (full or part-time)*
- *Must complete and submit a FAFSA*

Note: FAFSA doesn't have to be submitted prior to registration but it will be required for the student to be eligible for the free program.

Note: students are eligible for the program up until the first day of classes in August.

What qualified students receive:

- *Free tuition for the Fall and Spring semesters 2021-2022*
- *A \$500 credit at the Rams Bookstore for both Fall and Spring*
- *All fees including car and bus pass paid for.*

Most students will qualify for financial aid through the submission of the FAFSA that will pay for their tuition during their time at VVC (even if they don't qualify their first year is covered). This means that the majority of seniors will attend their first two years of college or through the completion of a certificate for only the books and fees of the second year. Note: some programs have additional fees that must be covered by the student.
