

UNIVERSITY OF THE WEST

TUITION WAIVER

SELECT STUDENTS ELIGIBLE

Beginning Fall 2020, University of the West is launching a 2 year, tuition waiver program for select individuals.

- Applicants must be full-time domestic students with a 3.0 GPA high school and must be able to maintain a minimum 3.0 GPA each semester
- Students must apply for an undergraduate degree program
- Enrolled full-time for 12 units/semester
- Complete a current financial aid (FAFSA) application

The tuition waiver program is a supplemental scholarship program, which means it meets funding needs remaining after federal and state aid programs and private scholarships have been applied. The program will only cover students' tuition balance.
