

Workforce Development Board

Disability Awareness Training

San Bernardino County Workforce Development Board has partnered with the Department of Rehabilitation.

Disability awareness training, breaking barriers.

This training is designed for human resources staff, hiring managers and supervisors to successfully include persons with disabilities as an excellent labor resource.

Training topics will include:

- How to access employees with disabilities
- The different types of disabilities and the best ways to interact with employees in the workplace.
- General overview of the Americans with Disabilities Act
